**Declaration of Compliance with  
EEC 834/2007**

Oregon Tilth Certified Organic (OTCO) hereby guarantees that the inspection system and precautionary measures required by EU Council Regulation (EEC) 834/2007 and its amendments are permanently and effectively applied to the certified operation identified in this declaration of compliance.

The Certified operation has been evaluated by an agent of the OTCO program to verify to the best of our knowledge the organic production standards established in EEC 834/2007 have been met. Any infringements of said regulation may result in penalties according to OTCO rules.
